Dear Junior High Parents,

This letter is to inform you that the Accelerated Reader program is now going to be included as part of your child's Reading/Literature grade on future report cards. Students will be given the grade based on the percentage of their goal they have reached for the nine weeks. Their accuracy percentage will also be taken into consideration.

We are very proud of our students and want to continue to hold them to the highest standards. Since each student's AR goal has been individualized, reaching the goal is attainable for all our students.

Please monitor your child's progress throughout the nine weeks by checking the Renaissance Home Connect site regularly. You were given a password for this site at the beginning of the school year. If you have any questions, please send me an email at [jdreibelbis@saintmichaelschool.org](mailto:jdreibelbis@saintmichaelschool.org). Thank you so much for your continued support.
