2014-2015 Tuition Rates

St. Michael Catholic Parish (Church and School) is financially supported through our parishioner tithing. St. Michael church pays a tuition subsidy to each student who attends St. Michael School. Our budget shows that the cost to educate each student is \$6200.00. This is the base tuition amount for each student that attends St. Michael School.

Every St. Michael Student will receive a minimum subsidy from St. Michael Parish for \$1300.00. Additional tuition discounts will be given to families who are registered and actively supporting members of St. Michael Catholic Church. (Additional tuition assistance is available to active parish families through a completed Parish Tuition Application.)

Families who would like to receive a Choice Scholarship/Tuition Voucher from the Indiana Department of Education will need to provide copies of 2013 Tax Return or copies of W2 forms so the school office personnel can complete the online application with the State Department of Education. The maximum qualification amount this year for a Choice Scholarship is \$4800 per student. Deadline for the Choice Scholarship/Tuition Application is September 1, 2014.

The chart below shows the number of students and the cost to educate. The final tuition cost is minus the Parish Subsidy, Active Catholic Rate, and Parish Grant. The final cost includes tuition, book fees, HASA dues, and technology fee. A non-refundable registration fee of \$40 per student is due with each child's registration form to secure a classroom seat.
